Petitioner is a B.Tech student. He submits that on 5/9/07, he has applied for revaluation of three answer papers of 8th semester - Industrial Drives, Power Systems III and Neural networks and Fuzzy Logic. The complaint in this writ petition is that since then, there has not been any progress in the matter.

2. I heard the standing counsel for the University also.

Now that the petitioner submits that he has filed an application for revaluation, I dispose of this writ petition directing that if such an application has been received and is pending, the respondent shall complete the process of revaluation and declare the results, as expeditiously as possible, at any rate within six weeks of receipt of a copy of this judgment.

ANTONY DOMINIC, JUDGE.
